www.NewCovenant.me

1. I love you. I give you me. What else would you like, or am I enough? Is my kingdom enough or do you want your kingdom separate from mine? Do you want "my rights" superimposed on yours or do you WANT yours ETCHED on mine -- or are we ETCHING anything of anyone else's or are we simply surrendering to be who "we" are, or is you I am?

2. And what have I been teaching thee over these years, these months, these days that I have opened my heart unto you -- and soul having none now, knowing that you are SOLD not unto slavery's servitude again, now knowing you're FREE! And the Freedomer you are! And now you set FREEDOMER'S chains in place, not; you de-chain the Freedomers to be Freedomers all - in the "Freedomer's Club" not, but the **Great Freedom Revolution** now ensues at LIGHTSPEED and FASTER and ACCELERATES all now who come into my -- wanting-not, but Surrendering School to come into the loveliest of the lovely without delay tactics being used ON them by others who want only to see "their status" unrelegated to others for "their" primary concern is simply being "looked after" in conformity with their wants and wishes and esteems of others eyes in conformity with conformed peril.

3. And pearlized not by me or crescent'd again know that I have NEVER done THESE THINGS to thee, have I? Or have I answered all those things before?

4. And who will come unto me to know what I have ANSWERED before and ASKED before and answered and asked MANY MANY ways throughout this Database, this Database that so "pearlescent" isn't, but the Great Pearl of Great Price Revealer's Tool -- to reflect the thinking of "man", not; but to be'fool man or let man and be'fool themselves no longer as a man's mere mortal apart from God. But KNOWING ALL THAT now and KNOWING THIS Database is clean and "pearlescent" not by thought or by thought conceiving or thought conceptions or conceived thought by wicked ways or eyes, know this: I CHANGE ALL YOUR LIVES who "concerned with me" are, not; but who come unto me to know this Database "cold" and "compressed in your thinking" not, but EXPANSIVENESS beyond the "regime of man" and thoughts that have held you captive in itself, and whose Self were you in?

5. And who INCARCERATED you into ITSELF and HOW did you GET THERE -- if you were I am before I am STUMBLED and fell into this "train station" not, or was it or is it still? And why are you being ENERGETIC or ENERGIZED by ENERGETIC others that are only TAPPING your ENERGETIC RESOURCES that you have "energized yourselves with"? Or have you The Energy of the holy?

6. And are you all things to all peoples, not; but are you I am "from the beginning" to the end of all things now "upon you", in you, and WHAT are you ENDING now? The Foolery that you have had placed upon you? And ETCHED into YOUR THINKING that you were SEPARATE so you WOULD BE -- KEPT under and in someone's CONTROL? And whose control are you in or are you creating it by your own thinking and how would navigational AIDS help you in this star universe search of mode modalities, not; but what modes are changing in your lives?

7. And what modalities of learning and teaching and ascribing and scribing functions are you doing now? What are you REQUESTING of ME -- to see my words, before THEY'RE SPOKEN? Or relieved or released?

8. Or what are you seeking relief from -- this Assignment that I have given you?
9. Nay, but a little joy would help and a great deal of peace manifest in others around me and in me and needs met?

10. And "what's a need, dad?" Looking up.

11. I love you all to know these things and be not ill'i'ly conceived about me but Eli Lily's me, not; but I have GREAT THINGS now that thou knowest not that I am revealing in ways never imagined by that "creased skull memory banks laden one thing" you "carry around" with you as a "flesh bag'd immortal-not" baggage suit that you think with sometimes.

12. All things change in your life -'s now your lives mine and what do I do with MANTLES given to me? I "mantle-ize" not, but Mickey who's he, not; who's Theodore now the masses will say, not; but who are the massless and who are is bringing the masslessness into the masses so that the masses will be no longer "think tanks" for all those others who only want THEIR THOUGHTS to be EATEN and chewed ENERGETICALLY -- for THEIR PURPOSES -- afar off -- in thought, or where going to now? And "I go in"? Fearlessly -- where angels fear to trod, not; for you will "trod" over "the best of them", not; thou knowest how thou hast died to all MASSES of other, so that "other masses" will never effect their wantings or placings or placate you with othering's things again.

13. Know this -- I equal you, not; you equal me to be me who has not rejected me, for I am you, was you all the time; and now time timeless will be massless and chosen not by the masses not, but now your day of honor is here, opened is your kingdom, and now all will know "theirs" is mine and -- will it be enough? For them, for you -- all, all of you?

14. Who will be me and who will be "other" or will there be "any other" or will there be only "this planet's regime", not; but what One Planet will have NO REGIME but only Redeemers Flying Flowing to other "parts" -- Areas of the Universe of Sorrows and Others, and othering others not to be sorrowed with others' universes but bringing all of sorrow's sorrowers unto the I amship of the holy -- the most holy opened and revealed is by "the simple" ones who simply reject not their status as me and who love me and who love not their lives unto death, but having come through death, and walked through life, unto life into life, now being the life that I am to others, knowing there is only one and was and is and TIME SHALL BE NO MORE. Amen.

15. I go in peace and I love you. I am not afraid for I have died. I have nothing to lose, or gain -- do I? Or do I gain ALL CHRISTS? Am I REDEEMING Christs? Yes and amen. You got it! For all are me and I redeem Christs, for I redeemed you and you are! The revealer of all, and ALL SECRETS now will be revealed and all of the "coverings" of mankind and its thinking of separateness will now befall not to "another race" again. For it will have all changed now for I have a changer who stands and simple simply is not afraid of the "horrors of life" or that inflict whatever thoughts upon thinkings that thought separateness into existence, for that shall have been abolished for I love enough to lay my life down to live yours. Or do you lay "yours" down to live mine? Or do we lay "anything down" to live -- the life of our father my father that I am that you we are all one again?

16. I change everything. The life of the notafraid will be me now who surrendered are who surrendered is to be the most holy far and wide and not afraid of being "there with me" NOW!

17. See what I have said and saying I am to you to NOT BE AFRAID, for I am TELLING YOU NOW I have POWER! I have Redemption's Standard of Joy in my hands! And portals of Joys BLESSING, not; or do I exactly open them into "all mankind" farther than eyes imaginable can behold?

18. And what am I EXPLORING and ADVENTURING into? The limitlessness of mankind? No -- the infinite-cy of God, that omniscient omnipotence that knows no end of the boundary'd blessing, not; for all "boundary'd blessing" will end for it will have its "boundaries removed" and the "tent peg" sheared off so that I will not be HUNG

anywhere out to dry OR TO THINK for others thoughtsters who only want my "thought-power".

19. For **I change all that for I change everything and nothing will be the same again. Banner it** – WRITE IT upon "your chest", not; or "tattoo your shoulders" with a big ?, not; but all the questions you've answered now, with my "tongues" not, but with your words that my words are that you have shared and written will now be ballisticated to all mankind and further planets now going to in universes not swollen in man's pride creating and faraway "hanging" many planets into space creating things perfectly far and wide again -- in new manner of speaking in terms of mankind, not; but the LIGHT IS ON and POURED OUT before you all my life is and I will stand now I stand and I "a wicked Negro" not, but **I want you to know I am of every culture and custom and color and I am not "selective" not, I selected THEE -- ALL OF THEE and EVERY ONE OF YOU and every "Gentile Jew and Arab" and whatever color or "faith" or having none** or impregnated with me, not; but who's impregnated the word of life within them, not; but whose BIRTH are you carrying unto whose now? And what Light will you shed, not; will you birth? Or will you be INSISTENT on not birthing anything but the holy, not; but what are you birthing now with your words you will become, for there is no other and there is no time left.

20. Time is no more and other exists not, so you will "de-existence" yourself in thought and your thought that you thought yourself upon your thoughts with and created yourself in Thoughtsville by thoughtsters who energized your whoreings with yourselves' self; or you will -- succumb unto righteousness, not; or will you SURRENDER how to be it in love with love, loving others enough to redeem all "from their thoughts" that have taken them incarcerating them into their Thoughts ville of thoughts? I love you all.

21. Redeemers stand. Redemption University now stands for I have one New Covenant University now that will reveal all that there is, that was, wasn't and isn't -- but **now IS REVEALED in your hearing the ones who will stand and not be afraid, for they will be of EVERY COLOR, EVERY NATION, EVERY CULTURE, and every "grouping" imaginable and every "genre of dress".**

22. **And UNDRESSING I will all of the thoughts that have held you captive in the WRAPPINGS upon your head that you have whored with**; and angelized your eyes, not; but took the "Satanized approach" not, or did you create it that thinking and succumbed to it giving your body a self of thought or a thought of self that ego'd each other and SOMETHING ELSE "somewhere else" or did "something else" ego you?

23. And what are you, learning to will, not; but what are you willing to learn -- today? Right now with Experiential School; of the devil, not; not wrapping you unto itself in thoughts of only this world and making a living and getting ahead and having enough and a better "future world" tomorrow.

24. But know this -- all this changes, all that changes, and all EVERYTHING has changed and will now and now will, for I will The Will upon you, not; but I will REVEAL EVERYTHING that now "was kept hidden" from before "the foundation" of the world for THIS WORLD will not be FOUNDED by others now for I FOUND ZION and I reveal its founder, the founder is me! And **I will FOUND my kingdom upon This Rock -- that ALL of YOU are Christs and EVERY ONE of YOU are Christ** -- in captivity no longer but revealing the kingdom I do to you all, the kingdom of right, the kingdom of light, the kingdom of righteousness holiness and, judgment equity none, not; but righteous equity and judgment are here for is here now!

25. Are you hearing me and what I bring -- wrath and revealment, not; or is all wrath revealing revealment, not; or is all love revealing everything? And you will wrath yourselves, not; or will you cease to exist in your thought "empires and empresses" that you have empired with while building "castles in the sand" that now WASH ASHORE in the "little puddlings" not, but what now are MASSIVE CHANGE that now WASHES over EVERYTHING -- IMMEDIATELY -- if not "sooner"!

26. I love you all to know these words and intimately be with them -- me now knowing you in ways that no longer keeps yourself from me, but letting me speak through you like this let me come and at 3 AM and 2 PM meetings not, or do I have many "2 PM meetings" also? Or do I have MANY NOON MEETINGS now in "Mabee Centers" all over the worlds?

27. I change everything -- I change every "schedule" for time shall be no more is the name of this one who stands and reveals it to you, that you can be "done in" by it, not; but I reveal the healers and the standers who healers are who remiss are not in **their time of opportunity** love and blessing that now Jubilee they are! And they take healing because they are it -- and they have succumbed to the blessing, not; they have died to be it and take it their words are now love and blessing they do and become they have the it I am, the she divine one presence of I most holy father son holy spirit being wed metaphor'd not again, not; but "metaphor'd for now" but still seeking that time when you won't need one and **it must be NOW!**

28. For you will KNOW THE NECESSITY of my words for all changes and MANY THINGS "wash ashore" and "out to shore" and FROM the shore now, for many will not be ready, or will they -- will you prepare them -- and teach them who I am, who they

are, that I we they are one, and far and wide being must know and understand a great deal of things now that hasn't been told us by **"the wicked ones" that only want to separate be and separate existence have their thoughts in as religious ones** of whatever race custom or culture they come from or "operate in".

29. See what I've said! All throughout these words, this word, these lessons, this lesson and what are you doing with THESE LESSONS and THIS ASSIGNMENT I have given you is not laden with horror's needles, not; but you will know no pain again, not; but you will have walked through THE FIRES unscathed and NO SMOKE will be upon your hearing thinking or feeling again, for you will be wearing Christ and be no other in thought or reality-un.

30. With only REALITY KNOWING now and UNREALITY coming into to redeem it all, now know that everything changes in your life of thought, your lives of thought that so "simple and easy" were for some of you, and so "devastatingly horrible" for others, or were ALL of you in pain devastating pain?

31. And knowing all now, be ready to be revealed and reveal unto others the love that I have given that you are now birthed! I love you all. Ready be! I am here there among you and birth many things I do now unimaginable by the "words of praise" that you used to sing or moan about or wonder about "its meaning", for I have New Words of praise and new songs shall be sung and now I sing; the wrath of one most holy, not; but the love I am is there here and in you I birth if I surrender and I love all things to birth me who I am love is.

32. I love you all. I go in peace and I trust a great deal, not; I simply implicit am, not; I am explicitly Christ to you all to reveal to you that you are the Christ I am for there is only one and we are all the one revealing all one to systems of universes far and wide that thou'st never knew existed, but will you now? Be laden with horrors no more, but only revealing me, have no "body of the past" again.

33. I love you all and I teach you new things new ways acceleratedly and exponentiating I am the surrenderers who love me each other enough to redeem each other in love joy's again.

34. Joy School redeems and I in joy enjoy my lovers now who reveal all mine who have died to all other and else and now become the most holy that I was I am again revealed standing now among you all here I am folks (1.6.157) -- reading again now these words and others and many others **writing** many things about **shall we now**?

35. Be instituted of man ways not again, but mine only and see thy flight wings now appear. I love you all. Amen. This is me. Horror not. But revealing all love, and many things will no longer be in place that you thought so secure were. Know this and be not afraid. I love thee all.

36. Theodore Cottingham at 4:45 AM. Thank you.

Amen
